hereby authorises the Organisation’s Authorised Officers appointed for the purpose of issuing ABN-DSCs to act as Authorised Officers in respect of Type 3 Host Certificates on behalf of the Organisation on the terms and conditions of this Agreement.

1. Background

- 1.1 The Department of Finance and Administration (“**Finance**”) has accredited VeriSign Australia Pty Ltd to provide certain Gatekeeper services to, or for the purposes of, Government Agencies.
- 1.2 The Organisation wishes to authorise Authorised Officers appointed for the purpose of issuing ABN-DSCs to also be able to approve the Issuance to a Host Organisation, and to request the revocation, of Type 3 Host Certificates (“**Certificate**”) for use by the Host Organisation on behalf of the Organisation. The Type 3 Host Certificate will be installed on a Device owned, operated or controlled by the Host Organisation to identify the Organisation, the Host Organisation and an application, device, process or service owned, operated or controlled by the Host Organisation.
- 1.3 VeriSign’s Public Gatekeeper Certification Services, and the use of the Certificates, are governed by the VeriSign Type 3 Host CP as amended from time to time, which is incorporated in its entirety into this Agreement. This Agreement contains some important matters dealt with in the VeriSign Type 3 Host CP. For full details of the obligations of the VeriSign CA, the VeriSign RA, Subscribers, Hosts, Relying Parties and all other PKI Entities, please refer to the VeriSign Type 3 Host CP.
- 1.4 All documents referred to in this Agreement are published in the Repository on the VeriSign Gatekeeper Website (<https://www.verisign.com.au/repository/gatekeeper/>).

2. Interpretation

Expressions used in this Agreement have the same meanings as they have under the VeriSign Type 3 Host CP.

3. Obligations

- 3.1 This Agreement will become effective and binding on the date a completed copy of this Agreement is signed by the Organisation’s Representative.
- 3.2 By signing this Agreement the Organisation:
 - (a) agrees that on the instructions of an Authorised Officer (which are authenticated by use of the Authorised Officer’s Private Key) the VeriSign CA may:
 - (i) Issue Certificates (identifying the Organisation, the Host Organisation and the nominated application, device, process or service) to the Host Organisation for use on behalf of the Organisation;
 - (ii) Revoke Certificates; and

-
- (iii) perform such other actions as are specified in the VeriSign Type 3 Host CP;
 - (b) agrees that the VeriSign CA and the Relevant RA may treat the instructions of an Authorised Officer as the Organisation's instructions in accordance with the VeriSign Type 3 Host CP;
 - (c) agrees to the terms of the VeriSign Type 3 Host CP; and
 - (d) agrees to take responsibility to ensure that each Authorised Officer complies with the terms of the VeriSign Type 3 Host CP, including, without limitation, the following sections which are attached:

- section 2.1.3 (Subscriber Obligations)
- section 2.1.4 (Host Obligations)
- section 2.1.5 (Relying Party Obligations)
- section 2.1.5.1 (Validating Digital Signatures)
- section 2.2 (Liability)
- section 2.4.1 (Governing Law)
- section 2.4.2.1 (Severability)
- section 2.4.2.2 (Survival)
- section 2.4.2.4 (Precedence)
